Sample slogans (welcome to use freely in any language):

I'm not into Marxist interpretation, but even I can see the producers of art are being shafted! – Support the Strike!

No pay no play (along) – Support the Strike!

Artist's fees, artist's holidays, artist's pensions. Artist's rights. Artists Strike. Imagine... – Support the Strike!

Too many artist opportunities are merely exams marked by administrators – Support the Strike!

To get exhibitions where they live do local artists need surgery to enhance their profile? – Support the Strike!

If you're good, very, very good, then maybe, just maybe you'll get some crumbs at the preview! – Support the Strike!

Too many careerists feed off artists. The Federation of Art Lovers supports the strike.

Some curators and administrators go round like they own the soul of art – Support the Strike!
